MSILSF

With no recognized sanctioning organization willing to accept motor-scooters into the fold, we decided to create our own organization, appoint ourselves as the sanctioning organization of motor-scooter land-speed records, and get about the business of hosting the First Annual Motor-scooter Land-Speed Record Trials on November 21st 2010, on Mother Road, Historic Route 66, Devore, California. Welcome to our fantasy.

RACE OFFICIALS

Alan Spears, Scootermeister
Carl M. Hancock, Vice-President of Operations
Greg Hatem, Webmaster (Defacto Race Boss)
Scott Hamblin, Chief Radar Man
Dennis Rowe, Chief Tech Inspector
Kathleen Hilz, Event Executive
Michael E. Turner, Esq., Chief Counsel
K. N. "Gus" Zaharopoulos, Chief of Security

SPECTATORS

Spectators (including pit crew) shall remain as far away as possible from the race course. This Rule does not apply to the areas immediately behind the starting line or beyond the finish line. Entrants shall apprise their pit crews and entourage of this safety requirement, and are responsible for the conduct of said persons in this regard. Any person breaching the established safety zone will result in immediate closure of the course by the Course Marshal. Any run in progress during such a course closure may be terminated in the discretion of the Course Marshal.

Spectators are not, under any circumstances, permitted in the Staging Area or on the Start Line. All "Pit Crew" must wear issued stick-on name badges that will bear the MSILSF logo or MSILSF Authentication Stamp.

RACE DAY AGENDA

06:00 Hrs. ~ Tech Inspection. Before being permitted to race all racers shall submit themselves and their scooter(s) to Technical Inspection in the Tech Inspection Area. Please do not bring more than one (1) Pit Crewperson to Tech. Racers are required to bring their racing apparel, including helmet, goggles, boots and gloves.

07:30 Hrs. ~ Mandatory Racer's Meeting. All racers shall attend this meeting at 07:30 hours in the Pits. Please do not bring Pit Crew, family members or spectators to the Racer's Meeting. It is for Racers only.

08:00 Hrs. ~ First Run of the Day. The first run of the day on the race course shall be made by the Scootermeister, who shall determine the course's suitability for racing.

08:15 Hrs. ~ Initial Starting Positions. Racers' starting positions for their initial run is determined by their entry number. The event will start immediately after the Scootermeister confirms the suitability of the race course.

16:00 Hrs. ~ Course Closure. The course will close precisely at 16:00 so results can be tabulated. Please muster near the Staging Area.

16:30 Hrs. ~ Trophy Presentation. Event trophies will be awarded first. First, second and third place class trophies will then be awarded starting with the smallest class first. The final presentation will be the Ultimate Motor-Scooter World Land-Speed Record.
