1990	Carr-Kaplan	Don Carr	306.957
1991	Dannenfelzer & Richards	Fred Dannenfelzer	255.246

NOTE: The variations in speed from year to year were caused mostly by lake surface condition, wind, water level, and in some cases by a team's switch in engines or the addition of a supercharger. Sometimes the fastest one year might not even run the following year.
